CELL PHONE POLICY

Cherry Park follows the DDS D cell phone policy by expecting that cellphones, smart watches (and other personal electronic devices) are turned off and away during school hours.

- 1. If a student's device is out, school staff will give a reminder to put it away. Devices need to be off and away from bell to bell in backpacks.***
- 2. If a student's device is out a second time, it will be taken by admin and stored in the office. The phone will be returned at the end of the day with communication to the caregiver.***
- 3. On the third violation, the device will be taken by admin, and must be picked up by a caregiver. A cell phone check-in/check-out plan will be put in place.***
- 4. Students with accommodations will be allowed access to their devices as determined by the 504 or IEP team.***

Thank You

FOR COMING TONIGHT!
